

Ice Driving Xperience

at Kall Auto Lodge

Ice Driving Xperience (IDX) includes adrenaline filled driving experiences and driver education on different types of ice circuits, in Porsche and/or Audi Quattro cars. Choose between 3, 4 or 6-hour courses.

IDX begins with a safety check, where we go through the cars' various safety systems and functions. After the cars are allocated we set off, travelling in pairs in the event cars to the groomed ice circuits.

At the ice circuits we begin the various driving exercises, such as: **Brake-evade manoeuvre – Slalom driving – Four-wheel skid in a circle – Four-wheel skid in a figure 8 – Handling, short circuit – Handling, long circuit – Co-driving.**

The number of exercises you have time for depends on which course you have booked: IDX 3, 4 or 6 hours. The aim of the course is to make you a safer, better driver by teaching you how to handle our powerful event cars in different situations and at different speeds on the most challenging surface of all – ice!

Each car is equipped with special studded tyres, with around 580 studs per tyre. You will safely learn where

the limit is, and you will have many useful experiences that you can then transfer to your everyday driving.

Example programme for a 3-hour Ice Driving Xperience:

- Meet in the lobby, meet the instructor, safety checks, car allocation
- Driving with a lead car to the ice circuits at Kall Auto Lodge Driving Center, Molanda
- Brake-evade manoeuvre
- Slalom, driving exercise with soft slalom poles
- Handling, short circuit: driving exercise
- Handling, long circuit: race
- Drive from Driving Center Molanda to Kall Auto Lodge
- Prizes and certificates awarded, Ice Driving Xperience

Example price for the above:

SEK 2.995 per person excluding VAT

SEK 3.745 including VAT (for IDX 3-hour, with both Porsche and Audi cars).
